DENVER, COLORADO

WORKING DRAFT — CONFIRM SAM.GOV RECORD IS LIVE BEFORE DISTRIBUTION

MPAKT Group is a boutique intelligence, defense, and capability-development advisory firm serving government, defense, partner-nation, prime-contractor, and select corporate clients. We strengthen intelligence capability, manage human risk, develop people and institutions, and improve decision-making in complex environments.

CORE CAPABILITIES

HUMINT Training & Intelligence Education

HUMINT education and advisory; curriculum and training-program design; instructor development; standards, evaluation, and training governance; workforce professionalization; executive intelligence education; capability assessment and knowledge transfer.

Government, Defense & Partner-Nation Advisory

Intelligence modernization; institutional capability development; partner-nation capacity building; senior-leader advisory; Train-Advise-Assist-Mentor delivery; workforce professionalization; cross-cultural engagement; MENA advisory.

Insider Threat & Security Culture

Human-risk assessment; insider-threat advisory; security-culture assessment; human-factor vulnerabilities; security governance; leadership security education; organizational resilience.

SELECTED LEADERSHIP EXPERIENCE

- Multi-decade U.S. military and civilian intelligence leadership, including HUMINT operations and organizational command/advisory roles.
- Designed and delivered HUMINT curricula, instructor development, and training standards for U.S. and partner-nation intelligence personnel.
- Assessed partner-nation HUMINT capability and supported modernization, training governance, workforce professionalization, and institutional development.
- Extensive Middle East and North Africa operational and advisory experience, including Arabic-language engagement with senior partner-nation leadership.

DIFFERENTIATORS

- 40+ years of national-security and international experience
- Retired U.S. Marine Corps lieutenant colonel and former senior CIA Operations Officer leadership
- Operational experience translated into education, governance, modernization, and sustainable institutional capability
- Deep Middle East & North Africa experience, including Arabic-language capability
- Senior-led delivery; CONUS and OCONUS support

WE BUILD CLIENT CAPABILITY — NOT CLIENT DEPENDENCY

HOW WE ENGAGE

01 UNDERSTAND

Requirement, mission, outcomes

02 ASSESS

People, process, capability

03 DESIGN

Roadmap, curriculum, framework

04 IMPLEMENT

Advise alongside client teams

05 TRANSFER

Knowledge and institutional ownership

Operational experience → expertise → methodology & education → institutional capability → better decisions and mission performance.
